Base module	extension modul 1	extension modul 2	extension modul 3
Master	Slave 1	Slave 2	Slave 3

ClassicMat™

ClassicMat™

with pop-up or tilt

Why exactly EffiMat® + EffiSoft™ + EffiCare™ ?

Easy configuration, planning and first infeed.
Very high commissioning performance, flexible expandable and fully integrated in automated systems.

Modern control concept with PLC controls by B&R.
Optional other PLC solutions are available. Remote access to the PLC also possible.

Etablished local software and service partner.

What is possible with EffiMat® ?

Revolution – New to the World
